

SOUTHWATER AMATEUR DRAMATIC SOCIETY

Presents

THE JUBILEE YEARS

**50 Years of Music, Dance
and Comedy**

WELCOME

We hope you enjoy the Show, which is our contribution to Southwater's celebration of Her Majesty's Golden Jubilee. We take you through from the beginning of her Reign in 1952 right up until the present, providing you with an extravaganza of the music, dance, songs and comedy of the times, which we hope you will find entertaining.

In this production we have actively set out to involve our young people. This is as a direct result of our very successful pantomime, Red Riding Hood, earlier this year. A number of our junior cast enjoyed it so much that they asked if we could put on another show in which they could take part. As well as celebrating the Jubilee we thought that a show which had dancing, singing and acting would give them lots of opportunities to perform and, through this, to develop their talents. Their enthusiasm and commitment from when rehearsals started in June has been absolutely fantastic, and we are sure that you will be impressed by their performance tonight. Just in case they feel left out the adults aren't that bad either!

This Show is also important because we have several members of the Drama Section of Southwater Horticultural Society on the stage with us. We are delighted to have them taking part and we look forward to doing this again in the future.

Have a brilliant evening. There are lots of opportunities to join in and please wave your flag!
